

LOVE AND WAR

(Neil Young) (Fra albumet Le Noise - 2010)

When I sing about love and war I don't really know what I'm saying

I've been in love and I've seen a lot of war, seen a lot of people praying

They pray to Allah and they pray to the Lord, but mostly they pray about love and war

x | x | x | x | x | x | x | x | Pray about love and war, Pray about love and war

I've seen a lot of young men go to war and leave a lot of young brides waiting

I've watched them try to explain it to their kids and seen a lot of them failing

They tried to tell them and they tried to explain why daddy won't ever come home again

x | x | x | x | x | x | x | x | Daddy won't ever come home, Daddy won't ever come home

I said a lot of things that I can't take back, but I don't really know if I want to

Been songs about love: I sang songs about war since the backstreets of Toronto

I sang for justice and I hit a bad chord, but I still try to sing about love and war

SOLO

The saddest thing in the whole wide world is to break the heart of your lover

I made a mistake and I did it again and we struggled to recover

I sang in anger, hit another bad chord, but I still try to sing about love and war
