   I'm gonna preach these blues ("this blues")
|G                                 |D      |D
   I'm gonna pick my seat and sit down
|A                        A-G#-|G (stop)
  'Cause when the spirit comes
                             |D      |D G-G#-A
   Lord knows I'm gonna watch it too

|D
   Grabbed up my suitcase
|D                          |D      |D
   And took off down the road
|G
   Grabbed up my suitcase
|G                          |D      |D
   And took off down the road
|A                       A-G#-|G (stop)
   I said farewell my church
                             |D
   May the good Lord bless your soul
```
