Did they run their fingers up and down your shabby dress
Did they find some tender moment there in your caress? **Dm F Bb C**

Boys all say "you look so fine"
They don't come back for a second time
Oh you can't hide from the Turning of the Tide **C Bb C**

Gitar solo = to vers

Poor little sailor boy, never set eyes on a woman before
Did he tell you that he'd love you, darling, for evermore? **Dm F Bb C**

Creaking bed in the hotel room
Oh you can't hide from the Turning of the Tide **C Bb C**
